

Standing Order Form

A donation by standing order is a great way of providing us with regular support. It makes a huge difference to children suffering with a life limiting illness and their families.

A donation of just €21 or more per month can be a great tax-back benefit to Cliona's Foundation without costing you anything extra (if your total contribution to Cliona's Foundation exceeds €250 in a calendar year, we can claim back the tax you have already paid to Revenue. All you need to do is sign a CHY Tax Form which we can send to you on request).
